The dealer assumes all responsibility to supply complete and correct information for the products on their order. Any omissions will delay the timely processing of the order. JE does not rush orders that are delayed due to incorrect or missing information. A Fax copy of the order must follow orders placed by phone before the order will be processed. No exceptions. Orders may be faxed directly to Customer Service department. Please check your Order Acknowledgments to verify the accuracy of your order. JE will build and ship according to the Order Acknowledgement. All Cancellations Or Changes Must Be Approved In Writing (Via Fax) And Are Subject To JE's Approval. Please call Customer Service for assistance.

Terms and Conditions of Sale

Terms are subject to credit approval. A late charge of 1 1/2% per month will be added to all past-due accounts. The late charge is not intended to create a credit arrangement.

Packing, Will Call and Freight

All JE products are packaged standard with stretch wrap and corner guards. Additional packing may be required or requested for shipping at an additional charge. See catalog or call for information and pricing.

Will Call Hours: Monday-Friday 8:00 a.m. to 4:00 p.m. (Phoenix time). After notification of completion of your order, please call the Customer Service department to schedule a pick-up time. Calling ahead will ensure that your order is ready when you arrive.

Due to production requirements and space limitations, Will Call merchandise must be picked up within 5 working days after completion date. Product left after five days will be required to be picked up before other orders. JE will notify dealer by phone when this status occurs. Orders completed before due dates of post dated purchase orders are the only exception. JE reserves the right to ship or store merchandise

left after 10 working days at customer expense.

All freight shipped merchandise is shipped F.O.B. Phoenix, AZ. Shipments will be made "best way" unless other arrangements are made or specified on your sales order.

Damaged or Lost Shipments

JE is not responsible for damage or loss in shipment by common carriers. Products shipped are delivered to the carrier in good condition. When the transfer is made, JE's liability ceases. Title to shipped goods passes to the dealer upon JE's delivery of the goods to the carrier. Dealers should protect themselves by assuring that the common carrier has noted the extent of any damage or shortage on the Bill of Lading before the dealer signs for receipt of product.

Freight damage and/or loss claims with common carriers are the responsibility of the dealer. Dealer should follow all requirements set forth by the carrier to make a claim. Upon request, JE Customer Service will provide necessary documentation where possible to assist your claim. Damage or loss claims should be filed within the time requirements set forth by the carrier. To file a successful freight claim the damage or loss should be noted as an exception on the delivery receipt and an inspection report must be obtained.

JE warrants to the original purchaser that:

JE chair products will be free from defects in material and workmanship (excepting wood components, finish, upholstery materials, foam, gas cylinders, control mechanisms, and electronic components) under single shift usage for ten (10) years from the original date of purchase.

JE warrants the wood components, finish, upholstery materials, foam, gas cylinders, control mechanisms, and electronic components of its products under normal usage for two (2) years from the original date of purchase.

This warranty is void for any damages to the JE product due to misuse, abuse, neglect, accident, improper installation, failure to comply with instructions furnished by JE or any repair or alteration performed by anyone other than JE or an authorized JE dealer. Damage caused by common carrier during shipment is not included in this warranty. During the warranty period, as set forth above, if any JE products sold, which are subject to this warranty, prove to be defective in material and/or workmanship under normal use, the purchaser must contact an authorized JE dealer or JE in writing or by telephone to arrange for inspection of such JE product by an authorized representative.
